

# THE BUCKSTAFF COLLECTION

Ralph N. Buckstaff was born in Oshkosh, Wisconsin, in 1887. His long affiliation with the Museum began in 1924. He served on the Museum Board of Directors for 51 years, half of that time as president. Ralph was the Museum's founding Curator of Natural

History. His many interests included astronomy, meteorology, biology, geology, ethnology and history. He died in Oshkosh in 1980.
